Waar dit portfolio over gaat

Dit portfolio magazine biedt een overzicht van 23 jaar ervaring in digitaal design — een reis langs strategie, creativiteit en gebruiksvriendelijkheid.

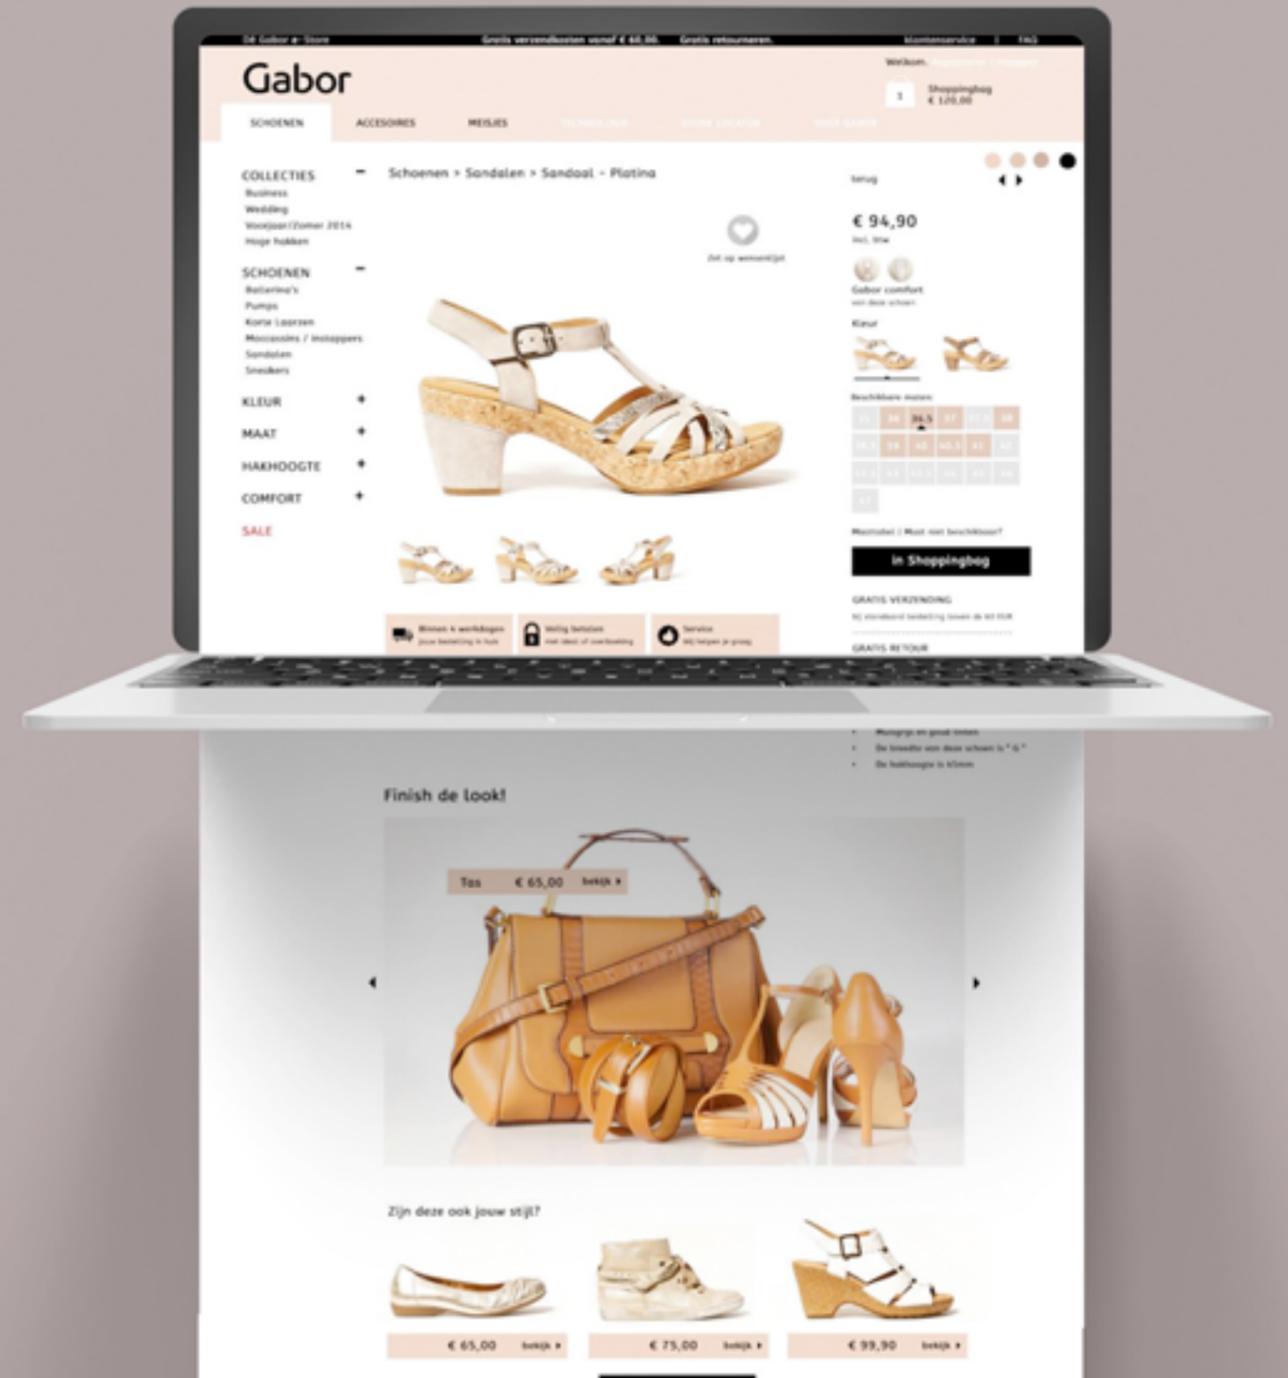

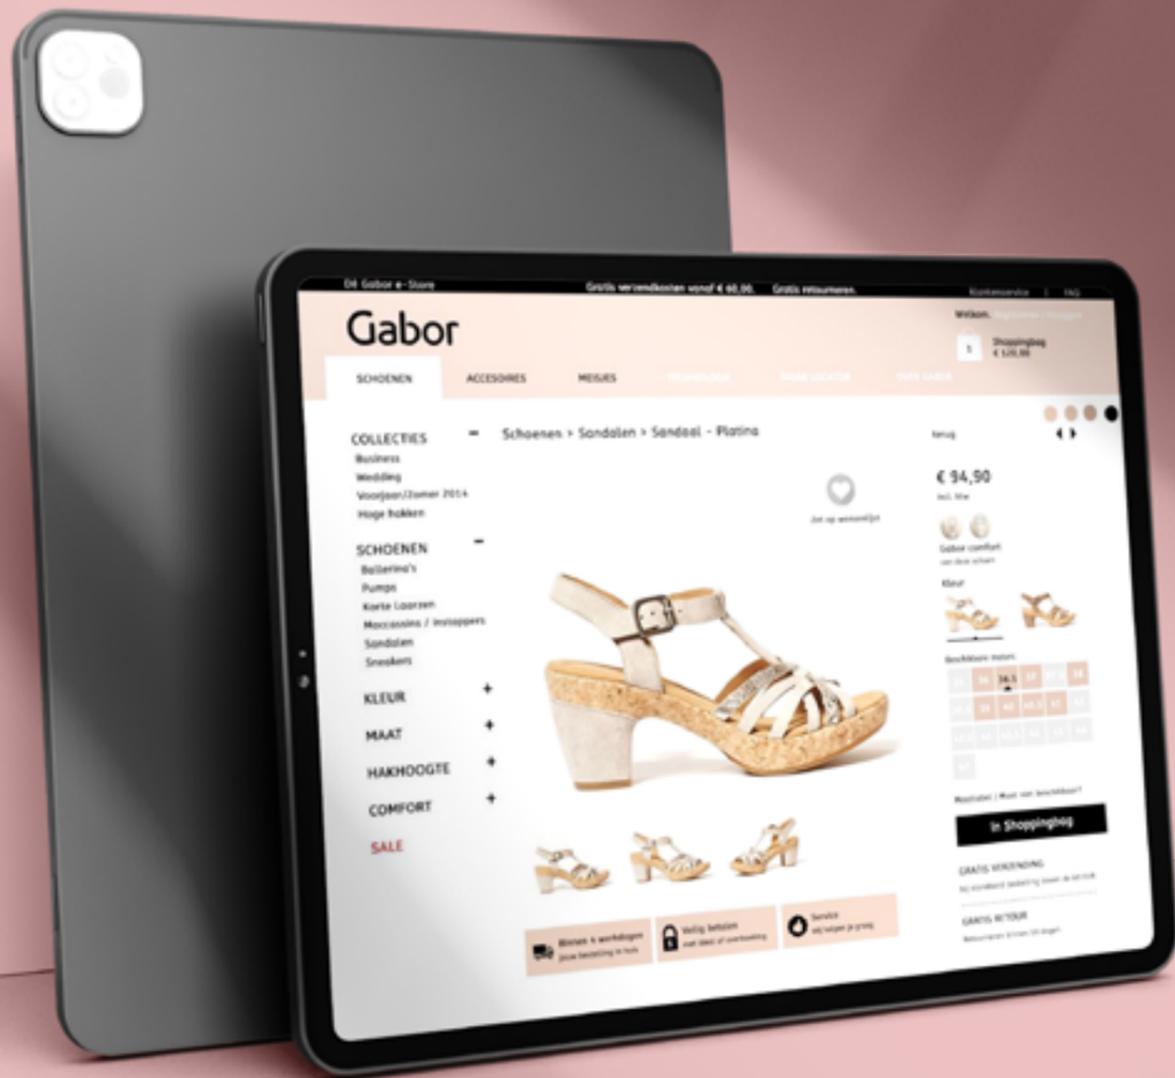

Het werk in deze bundeling laat zien hoe design verder gaat dan vormgeving alleen. Elk project start vanuit een scherp inzicht in zowel de bedrijfsdoelstellingen als de behoeften van de eindgebruiker. Complexe vraagstukken worden teruggebracht tot hun essentie en vertaald naar heldere, intuïtieve en visueel sterke oplossingen.

Bekend om een sterk analytisch vermogen, creatieve ideeën en een visie die verder reikt dan alleen het scherm, wordt design hier ingezet als strategisch instrument. Niet alleen om iets moois te maken, maar om digitale ervaringen te creëren die kloppen — en impact maken.

Elk project in dit magazine vertelt dat verhaal.

A woman with dark hair and sunglasses, wearing a white sleeveless dress and black flip-flops, is sitting on a red and white striped beach chair. She is holding a pink drink with a straw. The chair is on a small island of sand in a canal. A large yellow umbrella with white fringe is open over her. A yellow inflatable ring with a white swan is behind her. A yellow table is next to her. In the background, there are colorful buildings and a boat. The scene is set in a canal, likely in Copenhagen.
